

The XP-One™

The simple, realistic and workable approach to automobile and close quarter extrication.

Everything needed for an extrication is in the kit. The **XP-One** is:

- x-ray translucent; the patient can be x-rayed while confined
- 100% non-absorbent and easy to clean
- durable ballistic nylon cover; almost indestructible
- lightweight; only 6 lbs. and easy to position
- 3 convenient handles for lifting and moving
- nylon stay will no break or splinter
- XP-One extrication collar provides uniform 360 support

The **XP-One** was designed to **conform** to your patient and to **immobilize** your patient in comfort. No wooden stays to break or make your patient uncomfortable.

- Ballistic nylon cover
- Rigid plastic combined to plastic foam inner-liner
